

CTE INCENTIVE GRANTS CLASS OF 2019 CERTIFICATIONS LIST

The following is the list of CTE Technical Incentive Grant industry-recognized certifications available to high school students in the workforce shortage career clusters. Developed in cooperation between the Department of Workforce Development (DWD), Department of Public Instruction (DPI), and Wisconsin Technical College System Office (WTCS), these certifications take into account certifying agency recognition and validity, student accessibility, and programmatic rigor.

The certifications fall into **five categories**:

1. State Certified Work-Based Learning Programs- DPI Cooperative Education Skill Standards (Skills Co-Op),
2. State Certified Work-Based Learning Programs- DWD Youth Apprenticeship (YA),
3. Business & Industry Recognized Certifications,
4. Wisconsin Technical College Certifications,
5. Wisconsin Certified Pre-Apprenticeship Programs.

This list is revised annually to ensure relevance to current industry needs. A copy of the list in effect for Class of 2017 and 2018 is available on DPI's website, at <https://dpi.wi.gov/cte/technical-incentive>. Any students that were enrolled in certificates approved on the Class of 2017 and 2018 list and earned those certificates during or before the 2018-19 school year will be recognized, even if the certificate has been removed from this list or the requirements have been changed.

Contact Resources:

For questions on DPI Cooperative Education Skill Standards Certificates or claim applications, please contact Robin Kroyer-Kubicek at Department of Public Instruction: robin.kroyer-kubicek@dpi.wi.gov

For questions on other Youth Apprenticeship, Business & Industry, WTCS, or Pre-Apprenticeship Certificates, or on adding certificates to the list, please contact Jamie Bernthal at Department of Workforce Development: jamiet.bernthal@dwd.wi.gov
