WFF Online System Access Instructions for Project Director and Trainee Data Entry Roles

Accessing the WFF Awarded Grant System

Access to the Wisconsin Fast Forward (WFF) Awarded Grant System differs from the WFF Application System. Access to the WFF Awarded Grant System is required to enter trainee data, submit quarterly and final reports, and update contact information.

A. Previous WFF Application System Access

Grantees that have a WFF logon because they were an Application Writer or a Project Director on another WFF grant should e-mail WisconsinFastForward@dwd.wisconsin.gov to request access to the current grant in the WFF Awarded Grant System. Include the current correspondence ID in your request.

B. DWD System Authorized User

Grantees with a DWD logon for Job Center of Wisconsin, Unemployment Insurance, Worknet, etc., may use that logon to enter the WFF Awarded Grant System, but also need to request to be assigned to a current WFF grant. Start at section C2 and use the existing logon to start the process.

C. New to the WFF Awarded Grant System

1. Grant Project Directors and individuals registering only to enter Trainee Data with no existing DWD logon should go to www.wisconsinfastforward.com.
2. Click the  button in the upper right-hand corner of the page. This brings up the screen below. Click Sign In. Create a MyWisconsinID using the Self Registration steps at https://det.wi.gov/Pages/MyWisconsin_ID_Self_Registration.aspx. Note your username and password for future reference.
